NEWSLETTER

ISSUE DATE

1st February 2024

Dear Parents / Carers,

This week is all about attendance at school. We have given out some special certificates this morning to recognise those children who were in our school at the time of the pandemic and have made a huge effort to restore excellent levels of attendance since. The children with certificates have attendance above 96% in every year since the pandemic. We are very proud of the resilience and tenacity they have shown. I will be rewarding a different aspect of good attendance next week.

Reading update

For children in EYFS and KS1 reading phonics books your child will be set books on the online Collins Big Cat App. If you are unable to log in please contact your child's class teacher in the first instance.

Changemakers News

Our Online Changemakers have been learning about age restrictions during their weekly meetings.

This week they shared their learning with the main assembly group. Lots of the children were surprised at the age restrictions.

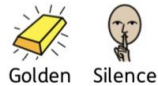

18

We discussed why age restrictions are in place. We decided they are there to keep us safe and protect us from content we might not want to see.

Behaviour Curriculum

This term we have been further improving behaviour across the school by teaching our new **behaviour habits**.

Ask your child to explain our new behaviour habits to you!

A focus on ... Wonderful Walking

Know we walk around school using Wonderful Walking. This means:

- Look at and track the front of the line and where you are walking towards.
- Stand up straight
- Stand behind the person in front of you
- Walk in a straight line
- Keep hands by your side
